

### MAKE A DIFFERENCE IN 2017 AS AN ANNUAL SPONSOR!

With the support of our annual sponsors, Children's Square U.S.A. provides services for nearly 1,500 children and their families each and every day. Many of our families come to us at time of crisis; a time when it is hard to see a future with hope and optimism. For many, desperation drowns out hopefulness and tomorrow brings fear. With your support, we are able to reach out to provide a caring safe environment and a new direction in life.

Growing children, strengthening families and building stronger communities is what we do and we need your help in doing so.

### IOWA AND NEBRASKA'S CHILDREN AND FAMILIES BENEFIT FROM YOUR SUPPORT!

Through your sponsorship, you are investing in the future of children, the future of families and the future of Children's Square U.S.A. Services include early childhood care and education programs counseling services, pediatric integrated health services, emergency services for children including a telephone help line, triage and temporary shelter, a grades 1-12 school for children with behavioral needs, residential treatment for children and adolescents experiencing serious emotional disorders, aftercare services for young adults who have aged out of foster care, and recruitment, retention, and support of foster and adoptive and resource families in both Iowa and Nebraska that are caring for children in their homes.

### Our request...

Please partner with Children's Square U.S.A. in 2017 as an annual sponsor. Your support is needed so that we may continue to further our mission of serving children and families. With your assistance, children and families will benefit from the services provided by Children's Square.

Together we are  
“Leading the way.”

### OUR MISSION:

To teach each child, every day, the values and life skills essential to a successful life-  
One full of caring, contribution and commitment-

It is our belief that children are this nation's most valuable resource and their families are the most important factor in their development. We recognize the unique importance of each child and our philosophy and programs develop individual abilities and talents, building in each:

The Vision to See...

And the value of setting an ideal for which to reach;

The Courage to Try...

And the value of accepting each obstacle as a challenge to meet; and

The Will to Succeed...

And the value of making the commitment to persevere.

### In recognition of your support...

Our annual sponsors are very important to us and in return, we are committed to showing our appreciation. Annual sponsors will be recognized throughout 2017 in various publications such as newsletters, printed materials, posters, banners, and various mailings. Sponsors are also recognized on our website.

Our annual sponsors also receive a table(s) of eight (or ten) at the 2017 Jason Awards. Sponsors are spotlighted for their commitment to making a difference for children and families. Also, each sponsorship includes a foursome(s) at our annual Chip in for Children Golf event. Join us on May 15, 2017 for a day of fun while helping children and families at the same time. (Rain date May 22)
